ICE 0 – Hello World

```
Hello World - ICE 0

C:\Users\badbo\Desktop\Git\OOP>java -jar C:\Users\badbo\Desktop\Git\OOP\HelloWorld.jar

Enter your first name:
```

Screenshot 1: The program has started through the CMD (terminal) while using the JAR file opening on top of the JarRunner.bat file. The Initial step of the program is to prompt the user with an instruction "Enter your first name:".
